

Overcoming Addictions Securing Youths' Successes

trybe
OASYS
SERVICE

Do you know any youth who...

is exposed to or
currently engaged
in substance
addiction?

needs help
with overcoming
substance
addiction?

wants to
positively
contribute to
society?

needs
positive
influences
in life?

\ /
**REFER THE YOUTH TO
THE OASYS
SERVICE**
/ \

OASYS is an integrated system of care focusing on a holistic community-based service. It consists of outreach and engagement, case management and treatment services for youth who struggle with substance addiction. [Flip this paper for more details>>](#)

OASYS Project

THE ISSUE

Lack of preventive outreach to at-risk youths who are exposed to substance addiction in the community

ABOUT THE SERVICE

- An integrated system of care focusing on a holistic community-based service
- Consists of outreach and engagement, case management and treatment services
- Focuses on youth who struggle with substance addiction issues

trybe
EVERY YOUTH A SUCCESS STORY

OUR CLIENTS

- Youth aged 11-21
- Exposed to or currently engaged in substance addiction
- Keen to seek help
- Youths who require extended help after prior substance addiction support and treatment

OUR GOALS

- Lead at-risk youths towards a purposeful and substance/drug-free lifestyle through community outreach and psycho-education, treatment and recovery
- Create early prevention awareness among youths through our outreach platforms for substance addiction problems before they are deeply involved in it
- Help reduce recidivism rates
